

Uploading Team Photos for 50th State Hawaii Senior Softball Tournament

Please follow the following instructions when taking your team photo and upload to the stated Google Drive site shown below.

1. When taking photos, make sure sun is facing the player's face to avoid shadows.
2. Do not send photos and send in text/SMS. This process reduces the image size rendering the photo unusable for printing.
3. The file(s) should be at least <4MBs in size. Anything smaller is not recommended.
4. Send a separate Word or text document stating the names of your players in the image.
5. Upload your photos and team captions to the following link:
